

Casey College
new generation learning®

YEAR 5 TEXTBOOK RENTAL SCHEME

ICA Casey College provides an option for parents to 'hire' textbooks rather than purchasing them outright. Essentially, this means that the College purchases the textbooks and rents it to families for close to 1/3 the recommended retail price, with the assumption that the text book is used by the student and returned to the college at the completion of each academic year in a condition that reflects 'normal wear and tear'. The textbooks are then hired to families the following two years at a similar rate, thereby sharing the costs of purchase across three years and removing problems associated with text redundancy.

Families can choose to purchase their own copies of the text books but the College will not be implementing a second-hand book sale process. Any re-selling of textbooks would be the sole responsibility of families.

Please indicate your preference for hiring or purchasing by ticking the appropriate column.

Text	Retail	I Wish to Purchase (Tick)	Hire Cost	I Wish to Hire (Tick)
Chinese Made Easy Book 1	\$28.85		\$9.65
